Address Time Date

- 1. Plans and proposal forms will be available online at http://www.lakecountyil.gov/Transportation/Business/Bids-Roadwork.htm or at the office of the Lake County Division of Transportation, 600 West Winchester Road, Libertyville, IL 60048
2. Prequalification. If checked, each bidder shall include a completed "Affidavit of Availability" (Form BC 57), in their proposal, showing all uncompleted contracts awarded to them and all low bids pending award for Federal, State, County, Municipal and private work.
3. The Awarding Authority reserves the right to waive technicalities and to reject any or all proposals as provided in BLRS Special Provision for Bidding Requirements and Conditions for Material Proposals.
4. A proposal guaranty in the proper amount, as specified in BLRS Special Provision for Bidding Requirements and Conditions for Material Proposals, will be required. Bid Bonds will be allowed as a proposal guaranty.
5. The successful bidder at the time of execution of the contract will be required to deposit a contract bond for the full amount of the award. When a contract bond is not required, the proposal guaranty check will be held in lieu thereof. Failure on the part of the contractor to deliver the material within the time specified or to do the work specified herein will be considered just cause to forfeit his surety as provided in Article 108.10 of the Standard Specifications.
6. Proposals shall be submitted on forms furnished by the Awarding Authority and shall be enclosed in an envelope endorsed "Material Proposal, Section16-00000-00-GM".

By Order of County Board of Lake County February 1, 2016 Paula J Trigg, County Engineer
(Awarding Authority) Date (County Engineer/Superintendent of Highways/Municipal Clerk)

Material Proposal or Deliver & Install Proposal

To County Board of Lake County
(Awarding Authority)

If this bid is accepted within 45 days from date of opening, the undersigned agrees to furnish or to deliver & install any or all of the materials, at the quoted unit prices, subject to the following:

- 1. It is understood and agreed that the "Standard Specifications for Road and Bridge Construction", adopted January 1, 2012, and the "Supplemental Specifications and Recurring Special Provisions", adopted January 1, 2015, prepared by the Department of Transportation, shall govern insofar as they may be applied and insofar as they do not conflict with the special provisions and supplemental specifications attached hereto.
2. It is understood that quantities listed are approximate only and that they may be increased or decreased as may be needed to properly complete the improvement within its present limits or extensions thereto, at the unit price stated and that bids will be compared on the basis of the total price bid for each group.
3. Delivery in total or partial shipments as ordered shall be made within the time specified in the special provisions or by the acceptance at the point and in the manner specified in the "Schedule of Prices". If delivery on the job site is specified, it shall mean any place or places on the road designated by the awarding authority or its authorized representative.
4. The contractor and/or local agency performing the actual material placement operations shall be responsible for providing work zone traffic control, unless otherwise specified in this proposal. Such devices shall meet the requirements of and be installed in accordance with applicable provisions of the "Illinois Manual on Uniform Traffic Control Devices" and any referenced Illinois Highway Standards.
5. Each pay item should have a unit price and a total price. If no total price is shown or if there is a discrepancy between the product of the unit price multiplied by the quantity, the unit price shall govern. If a unit price is omitted, the total price will be divided by the quantity in order to establish a unit price. A bid will be declared unacceptable if neither a unit price nor a total price is shown.

Discounts will be allowed for payment as follows: % calendar days: % calendar days.

Discounts will not be considered in determining the low bidder.

DESCRIPTION OF WORK

This work consists of supplying traffic marking paint and glass beads as described herein for the Lake County Division of Transportation, 2016 Patrol 1 Maintenance – Paint contract.

LENGTH OF PROPOSAL

The unit prices bid on each group shall remain in effect from December 1, 2015 to November 30, 2016.

DIVISION 100. GENERAL REQUIREMENTS AND COVENANTS

SECTION 102 ADVERTISEMENT, BIDDING, AWARD AND CONTRACT EXECUTION (LCDOT)

In order to limit bid proposal math errors, all bids for this material submittal **shall** be submitted using the CBID spreadsheet. The Contractor/Supplier shall include in their bid proposal a hardcopy CBID printout. Proposals submitted without a hardcopy CBID printout will be rejected as nonresponsive and returned to the Contractor/Supplier unread. Proposals submitted with a handwritten schedule of items will be rejected as nonresponsive and returned to the Contractor unread. A maximum of five pay items may have legible pen and ink entries/revisions to the unit and extended prices on the CBID printout to accommodate last minute supplier and subcontractor quotes. A legible pen and ink entry/revision to the project total bid will also be allowed.

To decrease LCDOT bid processing time, Contractors/Suppliers bidding on Groups 9 and/or 10 shall include in their sealed bid envelope a CD with a copy of the completed CBID. The hardcopy CBID printout will serve as the bid submission, while the CD is only provided to aid in tabulating the bids. In the event that there is a difference between the hardcopy CBID printout and the electronic copy provided on the CD, the hardcopy CBID printout shall take precedence and be used to complete the bid tabulation.

Shared Services: Under the authority of 30 ILCS 525, the Governmental Joint Purchasing Act the unit prices included in the proposal may be offered to other governmental units according to the following:

The purchase of goods and services pursuant to the terms of this Contract shall also be offered for purchases to be made by other governmental units, as authorized by the Governmental Joint Purchasing Act, 30 ILCS 525/0.01, et seq. (the "Act"). All purchases and payments made under the Act shall be made directly by and between each governmental unit and the successful bidder. The bidder agrees that Lake County shall not be responsible in any way for purchase orders or payments made by the other governmental units. The bidder further agrees that all terms and conditions of this Contract shall continue in full force and effect as to the other governmental units during extended terms. The credit or liability of each governmental unit shall remain separate and distinct. Disputes between bidders and governmental units shall be resolved between the immediate parties.

The bidder and the other governmental units may negotiate such other and further terms and conditions to this Contract ("Other Terms") as individual projects may require. To be effective, Other Terms shall be reduced to writing and signed by a duly authorized representative of both the successful bidder and the other governmental unit.

The bidder shall provide the other governmental units with all required documentation set forth in the solicitation including but not limited to: performance and payment bonds, Certificates of Insurance naming the respective governmental unit as an additional insured and certified payrolls to the other governmental unit as required.

ARTICLE 107.27 INSURANCE

The provisions of Article 107.27 of the “Standard Specifications” are not applicable to this proposal.

PREQUALIFICATION

The provision of LRS7 requiring Bidder Prequalification is not applicable to this proposal. Bidders do not need to be prequalified with IDOT. Prospective bidders will need to submit a “Request for Authorization to Bid” form to the Lake County Division of Transportation and receive an “Authorization to Bid” response in order for their bid to be read at the bid opening.

PROPOSAL GUARANTY

For the 2015 Patrol 1 Maintenance materials letting the proposal guaranty provision of LRS7 is not applicable for Bidders submitting unit prices for Groups 1 thru 6.

The proposal guaranty provision is applicable for Bidders submitting bids for Groups 7 thru 18. Bidders submitting bids for Groups 7 thru 18 will need to furnish a proposal guaranty – a bid bond, cashier’s check or properly certified check. Bidders submitting proposals on more than one group may combine the total amount bid and submit one bond or check covering the entire bid.

MATERIAL GROUPS 1 & 2

GENERAL

Prospective bidders shall submit Unit Prices, Total Prices (Quantity x Unit Price = Total Price) and a Total Bid Group Price (the sum of all the Total Prices for the group) for each group that he/she wishes to submit a proposal for. All items within a group must be bid for the proposal to be acceptable.

The quantities shown in the proposal are estimated maximum seasonal requirements. The County reserves the right to reduce or increase the quantities ordered to meet our seasonal needs as they develop. Any reduction or increase shall not, however, be used in such a manner as to reduce specified minimum quantities for one delivery.

The price quoted shall reflect the price for the material(s) delivered to the Lake County Division of Transportation Facility (County Yard) at 600 W. Winchester Road, Libertyville, IL 60048.

All required reports shall be submitted to:

County Engineer
Lake County Division of Transportation
Attn: Director of Maintenance
600 W. Winchester Road
Libertyville, IL 60048

GROUP 1: TRAFFIC MARKING PAINT

Description: This work shall consist of supplying and delivering traffic marking paint to the Lake County Division of Transportation (LCDOT) yard.

Materials: The water based paint shall meet the requirements of Article 1095.02 of the "Standard Specifications" and the following:

General: The paint shall not be manufactured more than one month prior to shipment to Lake County. The paint shall be mixed prior to shipment.

The manufacture shall provide the following at the time of delivery:

- A Notarized certification that the product complies with the specifications.
- A Certified copy of production sample test results.

Lake County reserves the right to send a sample to an independent lab if desired.

All paint shall be delivered in either stainless steel or plastic 250 gallon totes. Each tote shall have a bottom feed ball valve coupler (2" diameter) system to transfer the paint from the tote to the paint machine.

Each tote shall be clearly marked with the type of paint contained; the manufacturer's name; the lot number; and the month and year the paint was packaged.

The supplier shall be responsible for the pick-up of empty totes. The pick-up will be scheduled at the time of a subsequent delivery or as requested by LCDOT. All empty totes shall be removed by the supplier no later than December 1, 2016 unless LCDOT agrees to an alternate date.

The paint shall be delivered to the Lake County Yard.

<p>NOTE: All deliveries shall be made with 15 Calendar Days of receipt of an order placed by LCDOT. Orders will be made for a minimum of one truck load. All the paint shall be delivered to the Lake County Yard on a FLAT BED TRUCK capable of being offloaded from the side by a forklift.</p>
--

The supplier shall notify LCDOT at (847) 377-7498 a minimum of 24 hours in advance of a delivery. All deliveries shall be made between 7:00 am and 1:00 pm local time. A delivery arriving at the Lake County Yard after 1:00 pm **may not** be unloaded until the next working day. All deliveries shall made on weekdays. No deliveries shall be made on weekends or holidays.

The cost of delivery shall be included in the contract unit price per gallon for the paint supplied.

Liquidated Damages: The Vendor agrees that in the event of certain types of breach of this contract, there will be great difficulty in establishing and providing loss as well as great inconvenience or non-feasibility in attempting to obtain an adequate remedy by the aggrieved party. Therefore, in respect to the kinds of conceivable harm that might be anticipated or actually caused by any such breach by Vendor, the Vendor agrees that the amounts which would be reasonable in the light of dated damages would be as follows:

Should the Vendor fail to deliver 100% of the traffic marking paint requirements after the 15 day order delivery requirement, there shall be deducted from any monies due or that become due the Vendor for each and every workday that deliveries remain incomplete, the sum of \$100.00 per day. The sum total shall be treated as fixed liquidated damages and not as a penalty due from the Vendor.

Basis of Payment: This work will be paid for at the contract unit price per gallon for YELLOW TRAFFIC PAINT and WHITE TRAFFIC PAINT. *The unit price shall include all equipment, labor and materials required to supply Traffic Marking Paint as specified herein.*

Item Description	Quantity	Unit
Traffic Marking Paint		
White Traffic Paint	18000.0	Gallons
Yellow Traffic Paint	18000.0	Gallons

GROUP 2: GLASS BEADS

Description: This work shall consist of supplying and delivering Type B Glass Beads for pavement markings to the Lake County Division of Transportation (LCDOT) yard.

Materials: The glass beads shall meet the requirements of Article 1095.07 of the "Standard Specifications" and the following:

General: Packaging for bulk delivery shall conform to the federal specification PPP-B-640D Class II or latest revision. The cartons shall be weather resistant, constructed of corrugated fiber board with triple walls and fluting. The cartons shall be strapped with two metal straps. The straps shall surround the outside perimeter of the carton. The first strap shall be approximately two inches from the bottom of the carton and the second strap shall be placed approximately in the middle of the carton. All cartons shall be shrink wrapped for protection from moisture. The cartons shall be lined with a 4 mil minimum polyester bag. The cartons shall meet ICC requirements. The cartons shall be approximately 38 inches x 38 inches; contain 2,000 pounds of beads; and be supported on a wooden pallet with fiber straps.

The beads shall be delivered to the Lake County Yard.

NOTE:

All deliveries shall be made with **15 Calendar Days** of receipt of an order placed by LCDOT. Orders will be made for a minimum of one truck load. All the glass beads shall be delivered to the Lake County Yard on a **FLAT BED TRUCK** capable of being offloaded from the side by a forklift. All shipments shall be covered with weather proof tarp to protect against inclement weather.

The supplier shall notify LCDOT at (847) 377-7498 a minimum of 24 hours in advance of a delivery. All deliveries shall be made between 7:00 am and 1:00 pm local time. A delivery arriving at the Lake County Yard after 1:00 pm **may not** be unloaded until the next working day. All deliveries shall be made on weekdays. No deliveries shall be made on weekends or holidays.

The cost of delivery shall be included in the contract unit price per pound for the glass beads supplied.

Liquidated Damages: The Vendor agrees that in the event of certain types of breach of this contract, there will be great difficulty in establishing and providing loss as well as great inconvenience or non-feasibility in attempting to obtain an adequate remedy by the aggrieved party. Therefore, in respect to the kinds of conceivable harm that might be anticipated or actually caused by any such breach by Vendor, the Vendor agrees that the amounts which would be reasonable in the light of liquidated damages would be as follows:

Should the Vendor fail to deliver 100% of the traffic marking paint requirements after the 15 day order delivery requirement, there shall be deducted from any monies due or that become due the Vendor for each and every workday that deliveries remain incomplete, the sum of \$100.00 per day. The sum total shall be treated as fixed liquidated damages and not as a penalty due from the Vendor.

Basis of Payment: This work will be paid for at the contract unit price per pound for GLASS BEADS of the type specified. *The unit price shall include all equipment, labor and materials required to supply Traffic Marking Paint as specified herein.*

SPECIAL PROVISION
FOR
EMPLOYMENT PRACTICES

Effective: January 1, 1999

In addition to all other labor requirements set forth in this proposal and in the Standard Specifications for Road and Bridge Construction, adopted by the Department of Transportation, during the performance of this contract, the Contractor for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor") agrees as follows:

Selection of Labor. The Contractor shall comply with all Illinois statutes pertaining to the selection of labor.

Equal Employment Opportunity. During the performance of this contract, the Contractor agrees as follows:

- (a) That it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental handicap or unfavorable discharge from military service, and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization.
- (b) That, if it hires additional employees in order to perform this contract or any portion hereof, it will determine the availability of minorities and women in the area(s) from which it may reasonably recruit and it will hire for each job classification for which employees are hired in such a way that minorities and women are not underutilized.
- (c) That, in all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, national origin, ancestry, age, martial status, physical or mental handicap or unfavorable discharge from military service.

That it will send to each labor organization or representative of workers with which it has or is bound by collective bargaining or other agreement or understanding, a notice advising such labor organization or representative of the Contractor's obligations under the Illinois Human Rights Act and the Department's Rules and Regulations. If any such labor organization or representative fails or refuses to cooperate with the Contractor in its efforts to comply with so such Act and Rules and Regulations, the Contractor will promptly so notify the Illinois Department of Human Rights and the contracting agency and will recruit employees from other sources when necessary to fulfill its obligations thereunder.

CHECK SHEET #LRS11

- (e) That it will submit reports as required by the Department of Human Rights Rules and Regulations, furnish all relevant information as may from time to time be requested by the Department or the contracting agency, and in all respects comply with the Illinois Human Rights Act and the Department's Rules and Regulations.
- (f) That it will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency Illinois Department of Human Rights for purposes of investigation to ascertain compliance with the Illinois Human Rights Act and the Department's Rules and Regulations.
- (g) That it will include verbatim or by reference the provisions of this clause in every subcontract so that such provisions will be binding upon every such subcontractor. In the same manner as with other provisions of this contract, the Contractor will be liable for compliance with applicable provisions of this clause by all its subcontractors; and further it will promptly notify the contracting agency and the Illinois Department of Human Rights in the event any subcontractor fails or refuses to comply therewith. In addition, the Contractor will not utilize any subcontractor declared by the subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.
