In order to limit bid proposal math errors, all bids for this material submittal **shall** be submitted using the CBID spreadsheet. The Supplier shall include in their bid proposal a hardcopy CBID printout. Proposals submitted without a hardcopy CBID printout will be rejected as nonresponsive and returned to the Supplier unread. Proposals submitted with a handwritten schedule of items will be rejected as nonresponsive and returned to the Supplier unread. A maximum of five pay items may have legible pen and ink entries/revisions to the unit and extended prices on the CBID printout to accommodate last minute supplier and subcontractor quotes. A legible pen and ink entry/revision to the project total bid will also be allowed.

Lake County, and the other participating local governmental units, have committed to purchase a minimum of 80% of the estimated usage. This unit price is for orders placed for delivery **after November 1, 2016**.

Unit Price 120% - 150%: Suppliers shall enter the unit price per ton, for ROCK SALT ordered by LCDOT, and other participating local governmental units, for a quantity greater than 120% of the estimated usage and not to exceed 150% of the estimated usage. This unit price is for orders placed for delivery **after November 1, 2016**.

Shared Services: Under the authority of 30 ILCS 525, the Governmental Joint Purchasing Act the unit prices included in the proposal may be offered to other governmental units according to the following:

The purchase of goods and services pursuant to the terms of this Contract shall also be offered for purchases to be made by other governmental units, as authorized by the Governmental Joint Purchasing Act, 30 ILCS 525/0.01, et seq. (the "Act"). All purchases and payments made under the Act shall be made directly by and between each governmental unit and the successful bidder. The bidder agrees that Lake County shall not be responsible in any way for purchase orders or payments made by the other governmental units. The bidder further agrees that all terms and conditions of this Contract shall continue in full force and effect as to the other governmental units during extended terms. The credit or liability of each governmental unit shall remain separate and distinct. Disputes between bidders and governmental units shall be resolved between the immediate parties.

The bidder and the other governmental units may negotiate such other and further terms and conditions to this Contract ("Other Terms") as individual projects may require. To be effective, Other Terms shall be reduced to writing and signed by a duly authorized representative of both the successful bidder and the other governmental unit.

The bidder shall provide the other governmental units with all required documentation set forth in the solicitation including but not limited to: performance and payment bonds, Certificates of Insurance naming the respective governmental unit as an additional insured and certified payrolls to the other governmental unit as required.

The Lake County Division of Transportation and the local governmental units individually reserve the right to reject any or all proposals, to waive technicalities, or to advertise for new proposals, if in the judgement of each Awarding Authority, the best interests of the Awarding Authority will be promoted thereby (See LRS7).

Contracts for the LCDOT and LCFPD work will be recommended separately to the Lake County Board and Forest Preserve District Board respectively, and upon award, each will be managed independently. The bid results for the remaining local units of government will be reported to each community. Each local government unit will be independently responsible for awarding; managing; and processing payments for their own contract.
