(White Tower Farm Property)**

WHEREAS, the County Board of Lake County, State of Illinois (the "County Board"), has created the Northeast Lake Facilities Planning Area Special Service Area (the "NEFPA SSA") to provide special sanitary sewerage services pursuant to Section 7(6) of Article VII of the Illinois Constitution of 1970; Section 5-15010 of the Counties Code, 55 ILCS 5/1-1001 et seq.; the provisions of 35 ILCS 200/27-5 et seq. (the "Special Service Area Act"); and the Lake County Ordinance approved on December 2, 1994, entitled "An Ordinance Establishing the Northeast Lake FPA Special Service Area" (the "Establishing Ordinance"); and

WHEREAS, Residential Land Fund I, L.P., is the record and/or beneficial owner (the "Owner") of the real property legally described in Exhibit A attached hereto and by this reference incorporated herein and made a part hereof (the "Annexation Tract"), has requested that the Annexation Tract be annexed to the NEFPA SSA in order to receive sanitary sewer service from Lake County; and

WHEREAS, Owner plans to develop a planned unit development containing 301 single family units on the Annexation Tract that will require a maximum capacity of 1,054 Population Equivalents ("P.E.") for sanitary sewage disposal on the Annexation Tract; and

WHEREAS, the Annexation Tract lies within the corporate limits of the Village of Antioch, is contiguous to the territory of the NEFPA SSA, and has an

equalized assessed valuation ("EAV") that is less than 5% of the EAV of the existing territory within the NEFPA SSA; and

WHEREAS, the Owner, pursuant to a written request, has requested that the Annexation Tract be annexed to the NEFPA SSA in order to receive sanitary sewer service from Lake County; and

WHEREAS, the Village of Antioch has also requested and consented to the inclusion of the Annexation Tract into the NEFPA SSA, and the County Board is contractually obligated to expand the NEFPA SSA when requested by the Village, if the Village's request meets the annexation provisions and requirements of the Establishing Ordinance; and

WHEREAS, in response to the request of the Owner and the Village of Antioch, the County Board passed an ordinance entitled "An Ordinance Proposing the Enlargement of the Northeast Lake FPA Special Service Area and Providing for a Public Hearing and other Procedures in Connection Therewith (White Tower Farm Property)," (the "Proposing Ordinance") on 12 September 2006; and

WHEREAS, pursuant to the Proposing Ordinance, the County Board held a public hearing on the enlargement of the NEFPA SSA on October 10, 2006 as required by the Special Service Area Act. Said hearing was held pursuant to notice duly published in the Waukegan News-Sun, a newspaper of general circulation within the NEFPA SSA and the Annexation Tract on September 22, 2006, which was at least 15 days prior to the hearing. In addition, the Owner received actual notice of, and attended, the hearing

regarding the proposed enlargement. A Certificate of Publication of Notice is attached to this Ordinance as Exhibit B. Said notice conforms in all respects to the publication requirements of the Special Service Area Act; and

WHEREAS, the County Board has found and determined that (a) sufficient capacity exists or is programmed to become available in the Northeast Sewerage System to serve the Annexation Tract, (b) the Village of Antioch and Owner have requested the annexation of the Annexation Tract to the NEFPA SSA, (c) all requirements for annexation of the Annexation Tract shall have been satisfied in accordance with the Establishing Ordinance, and (iv) that it is in the best interests of the NEFPA SSA that the NEFPA SSA be enlarged by annexing the Annexation Tract thereto, subject to the conditions, restrictions, and provisions contained herein;

NOW, THEREFORE, BE IT ORDAINED BY THE COUNTY BOARD OF LAKE COUNTY, ILLINOIS, as follows:

**AGREEMENT TO ANNEX THE WHITE
TOWER FARM TO THE NEFPA SSA**

THIS AGREEMENT, made and entered into this ____ day of _____, 2007, by and between the **COUNTY OF LAKE**, an Illinois body corporate and politic, organized and existing under the Counties Code, 55 ILCS 5/1-1001 et seq. (the "County") located in Lake County, Illinois, **RESIDENTIAL LAND FUND I, L.P.** (hereinafter referred to as the "Owner");

W I T N E S S E T H:

A. The County Board of Lake County, State of Illinois (the "County Board"), has created the Northeast Lake Facilities Planning Area Special Service Area (the "NEFPA SSA") to provide special sanitary sewerage services pursuant to Section 7(6) of Article VII of the Illinois Constitution of 1970; Section 5-15010 of the Counties Code, 55 ILCS 5/1-1001 et seq.; the provisions of 35 ILCS 200/27-5 et seq. (the "Special Service Area Act"); and the Lake County Ordinance approved on December 2, 1994, entitled "An Ordinance Establishing the Northeast Lake FPA Special Service Area" (the "Establishing Ordinance").

B. The Owner is the record and/or beneficial owner of real property legally described in Exhibit A attached hereto and by this reference incorporated herein and made a part hereof (the "Subject Property").

C. The Subject Property consists of approximately 155 acres, lies within the corporate limits of the Village of Antioch, and is contiguous to the territory of the NEFPA SSA.

D. Owner plans to develop the Subject Property with not more than 301 residential units that will require a maximum capacity of 1,054 Population Equivalents ("P.E.") for sanitary sewage disposal on the Subject Property.

E. The Owner, pursuant to a written request, has requested that the Subject Property be annexed to the NEFPA SSA in order to receive sanitary sewer service from the Northeast Sewerage System, being the system of interceptor sewers and related facilities lying east of Route 45 and the treatment plant constructed in accordance with the terms of the Establishing Ordinance.

F. In addition, the Village of Antioch has requested and consented to the inclusion of the Subject Property into the NEFPA SSA, and the County Board is contractually obligated to expand the NEFPA SSA when requested by the Village, if the Village's request meets the annexation provisions and requirements of the Establishing Ordinance.

G. In response to the Owner's and Village's request, the County Board did adopt on 12 September 2006 "An Ordinance Proposing the Enlargement of the Northeast Lake FPA Special Service Area and Providing for a Public Hearing

and Other Procedures in Connection Therewith (White Tower Farm Property)" (the "Proposing Ordinance").

H. Pursuant to the Proposing Ordinance, the County published notice and held a public hearing to consider the enlargement of the NEFPA SSA and the annexation of the Subject Property to the NEFPA SSA, which public hearing was both commenced and concluded on 10 October 2006, in all respects conforming to law, pursuant to proper notice thereof duly published as required under the Special Service Area Act. Owner acknowledges that Owner or Owner's representative had actual knowledge of such hearing, attended such hearing, and waives any technical deficiency (if any) that may have arisen in connection with the provision of notice of such hearing.

I. Subject to the terms and limitations of this Agreement, the County Board has determined that sufficient capacity is expected to be available in the Northeast Sewerage System to serve the Subject Property in addition to all other actual and programmed flows within the NEFPA SSA.

NOW, THEREFORE, for and in consideration of the mutual covenants herein made and pursuant to the provisions of the Special Service Area Act and the Establishing Ordinance, the parties hereby agree as follows:

SECTION ONE: Recitals. The foregoing recitals are incorporated into this Agreement as substantive provisions hereof.

SECTION TWO: Annexation; Conditions Precedent; Annexation Fees and Costs.

A. Annexation. Subject to the conditions and limitations of this Agreement, the Subject Property shall be annexed to, and hereafter be a part of, the NEFPA SSA. Concurrently with the County's approval of this Agreement, the County Board agrees to pass "An Ordinance Enlarging the Northeast Lake FPA Special Service Area (White Tower Farm Property)" (the "Enlarging Ordinance"). The Enlarging Ordinance provides for the annexation of the Subject Property into the NEFPA SSA, subject to the terms of this Agreement. This Agreement sets forth the conditions, restrictions, and provisions under which the Subject Property may connect to the Northeast Sewerage System.

B. Payment of Annexation Fees. Within 60 days after the adoption of the Enlarging Ordinance, the Owner shall pay, or cause to be paid, to the County the annexation fee prescribed by Section 11.A of the Establishing Ordinance and this Section (the "Initial Annexation Fee"). For purposes of calculating the Initial Annexation Fee only for the Subject Property, the Owner and the County agree that:

1. The Standard Connection Fee currently in effect for the Northeast Sewerage System shall be \$1,685.71 per P.E., or \$5,900.00 per Residential Customer Equivalent ("R.C.E.");
2. The Annexation Fee for the Subject Property shall be 10% of the Standard Connection Fee, or \$168.57 per P.E., or \$590.00 per R.C.E.;
3. The projected flow for Subject Property is 1,054 P.E., or 301 R.C.E. (the "Subject Property Flow"); and
4. The Initial Annexation Fee shall be \$177,590.00.

C. Payment of Costs. In addition to the Initial Annexation Fee, the Owner shall pay, or cause to be paid, to the County all costs and expenses incurred in connection with or arising from the annexation of the Subject Property to the NEFPA SSA, including publication, recording, administration, legal, and engineering costs (the "Costs"). Such Costs shall be paid within 30 days after the County notifies the Owner and the Owner of the amount of any such Costs and delivers an invoice therefor to the Owner.

D. SSA Taxes. The Owner's payment of the Initial Annexation Fee and Costs shall be in lieu of paying any SSA Taxes pursuant to the Establishing Ordinance.

E. Sewer Connection Rights. The Owner shall have no right to connect to the Northeast Sewerage System, except and to the extent allowed under Section 3 of this Agreement.

F. Termination of Annexation Agreement. In the event the Owner does not pay the Initial Annexation Fee and Costs to the County within the time prescribed in this Section, then, in the discretion of the County, this Agreement shall be terminated and shall have no further force or effect. Upon such termination, the County Board shall have the right to pass an ordinance repealing the Enlarging Ordinance without further notice.

SECTION THREE: Connection to the Northeast Sewerage System.

A. In General. Unless and until the annexation of the Subject Property becomes effective under the terms of the Special Service Area Act and the Enlarging Ordinance, neither the Owner nor any Customer (as defined in

the Establishing Ordinance) on the Subject Property shall have the right to connect to the Northeast Sewerage System. In addition, neither the Owner nor any Customer on the Subject Property shall have the right to connect to the Northeast Sewerage System, except as provided in this Section.

B. Permitted Sewage Flows. Except as may be permitted in accordance with Section 3.F of this Agreement, and subject to the other terms and provisions of this Section, the Owner (including all Customers on the Subject Property) shall not be permitted to deliver sewage to the Northeast Sewerage System in excess of the Subject Property Flow.

C. Payment of Connection Fees. Prior to the connection of any Customer on the Subject Property (or any portion thereof) to the Northeast Sewerage System, such Customer shall pay to the County the Standard Connection Fee for the Northeast Sewerage System (as defined in Section 10.A of the Establishing Ordinance) that is in effect at the time of such connection. Such connection fee shall be in addition to the Initial Annexation Fee and Costs that the Owner is required to pay pursuant to Section 2 of this Agreement. No Customer on the Subject Property shall be permitted to connect to the Northeast Sewerage System until the connection fee therefor, as well as the payments due pursuant to Section 2 of this Agreement, have been paid in full to the County.

D. Time for Connection. No Customer on the Subject Property may connect to the Northeast Sewerage System unless and until: (1) the Northeast Sewerage System has sufficient capacity to serve such Customer; and (2) the

Customer has satisfied all other conditions for connection to the Northeast Sewerage System. Such connection (including the design, construction, and installation of all intermediate sanitary sewers and facilities required to reach the County-owned interceptor sewers of the Northeast Sewerage System) to the Northeast Sewerage System shall be at the Customer's sole cost and expense, and in accordance with the provisions of this Agreement and any and all County ordinances (including the Establishing Ordinance) and other laws, statutes, and regulations applicable thereto, and with such specifications as may be approved by the County Department of Public Works.

E. Terms and Conditions of Connection. Any Customer on the Subject Property connecting to the Northeast Sewerage System shall be bound by the terms and provisions of this Agreement and the Establishing Ordinance, as well as all other applicable rules, regulations, and ordinances of the County and any other applicable federal, state, or local rules, regulations, or laws. In addition to the connection fee herein provided, such Customers shall pay any and all usual and customary user charges and service charges (including any minimal periodic charges) for sewerage service, as such charges may from time-to-time be established by the County. Such charges shall commence as of the date of connection of the Customer to the Northeast Sewerage System.

F. Additional Sewage Flows. The Owner (including all Customers on the Subject Property) shall be permitted to deliver sewage to the Northeast Sewerage System in addition to the Subject Property Flow, provided that:

1. The County Administrator determines in his sole discretion that there exists sufficient treatment plant and interceptor

capacity available to serve the Customer at the time the Customer requests to deliver sewage in excess of the Subject Property Flow. In making such determination, the County Administrator shall account for the need to serve, when delivered, all current actual and programmed flows from the Original SSA Tracts and other Customers of the Northeast Sewerage System;

2. The Customer shall pay a connection fee in an amount equal to the Standard Connection Fee *plus* the amount of the per P.E. Initial Annexation Fee that the Customer would have been required to pay for such excess flows pursuant to Section 11 of the Establishing Ordinance had the excess flows been part of the original authorization for Subject Property upon being annexed to the NEFPA SSA; and
3. The Customer complies with all other terms, conditions, and limitations for connection as set forth in this Agreement.

Notwithstanding the foregoing, in no event shall the total sewage flow from the Subject Property be permitted to exceed 1,107 P.E.; the Owner hereby acknowledges that this limitation is not a recognition of any development rights relating to the Subject Property, but it is an independent limit on the rights of Customers on the Subject Property to obtain sewer service from the Northeast Sewerage System, subject to the terms and provisions of this Section 3.F.

G. Limitations on County Service.

The Owner acknowledges and agrees that sewer service to the Subject Property is subject to the availability of capacity in the Northeast Sewerage System to serve the Customers on the Subject Property, and that the County has no obligation to expand the capacity of the Northeast Sewerage System in order to serve any Customer on the Subject Property.

SECTION FOUR. **Authority to Execute.** The County and the Owner hereby acknowledge and agree that all required notices, meetings, and

hearings have been properly given and held by the County and the Owner and all required actions have been taken, with respect to the approval and execution of this Agreement, and all documents referred to in this Agreement, and agree not to challenge this Agreement or any of the obligations created by it, or any document executed pursuant to it, on the grounds of any procedural infirmity or any denial of any procedural right. The County and the Owner hereby mutually warrant and represent to each other that the persons executing this Agreement on their respective behalves have been properly authorized to do so.

All notices and other communications in connection with this Agreement shall be in writing and shall be deemed delivered to the addressee thereof (1) when delivered in person and receipted for on a business day at the address set forth below; (2) on the fifth business day after being deposited in any main or branch United States post office, for delivery by properly addressed, postage prepaid, certified or registered mail, return receipt requested, at the address listed below; (3) when delivered to the address listed below by any courier service; or (4) on the date of transmission, if transmitted by telecopier at the telecopier number listed below and deposited in the U.S. mail on the same day for delivery to the address listed below.

By notice complying with the requirements of this Section, each party shall have the right to change the addressee, the address of the addressee, or both for all future notices and communications to such party, but no notice of a change of addressee or address shall be effective until actually received.

SECTION SIX. Exhibit. Exhibit A attached to this Agreement is by this reference incorporated herein and made a part hereof.

SECTION SEVEN. **Enforcement.**

A. The County and the Owner may enforce or compel the performance of this Agreement in law or in equity, by suit, action, mandamus, or any other proceeding, including without limitation specific performance; provided, however, that the Owner agrees that Owner will not seek, and does not have the right to seek, to recover a judgment for monetary damages against the County or any elected or appointed officials, officers, employees, agents, representatives, engineers, or attorneys thereof, on account of the negotiation, execution, or breach of any of the terms and conditions of this Agreement. Notwithstanding the foregoing, in the event of a judicial proceeding brought by the County or the Owner against the other party to this Agreement, the prevailing party in such judicial proceeding shall be entitled to reimbursement from the unsuccessful party of all costs and expenses, including reasonable attorneys' fees, incurred in connection with such judicial proceeding.

B. In addition to the remedies set forth in Section 7.A of this Agreement, the County may maintain an action to recover any sums and any costs agreed to be paid to it pursuant to this Agreement and which have become due and remain unpaid, plus interest on such sums and costs, at a rate of nine percent per annum, plus any costs of collection (including attorneys' fees). In the event that the Owner or the Owner's beneficiaries, heirs, successors, or assigns, or any Customer within the Subject Property, fails to satisfy any of its obligations under this Agreement, within 30 days after the County has given written notice of such noncompliance, the County shall, in addition to any of its other

remedies, be authorized to discontinue sanitary sewer service to the Subject Property or such Customer, as the case may be.

C. Neither party may assert any technical deficiency in the procedures relating to the execution of this Agreement or the enlargement of the NEFPA SSA as a default under this Agreement or as a ground for nonperformance under this Agreement. In addition, in the event any such deficiency is found to have occurred, the parties agree to cooperate with each other in taking all actions reasonably necessary to correct any such deficiency.

SECTION EIGHT. Entire Agreement; Amendments. This Agreement constitutes the entire contract between the County and the Owner and may not be modified, except by a written instrument executed and delivered by the County and the Owner pursuant to all applicable statutory procedures.

SECTION NINE. Nature, Survival, and Transfer of Obligations. All obligations assumed by the Owner under this Agreement shall be binding on the Owner and the Owner's heirs, devisees, executors, administrators, and personal representatives; and on any and all entities and companies subject to the control or direction of the Owner and the Owner's successors and assigns; and on any and all successor legal or beneficial owners of all or any portion of the Subject Property.

SECTION TEN. No Third Party Beneficiaries. No claim as a third party beneficiary under this Agreement by any person, firm, or corporation shall be made, or be valid, against the County or the Owner.

SECTION ELEVEN. Counterparts. This Agreement may be executed in counterparts and all so executed shall constitute one and the same Agreement.

SECTION TWELVE. Governing Law. This Agreement shall be construed and enforced in accordance with the laws of the State of Illinois. Terms used in this Agreement shall be the same as used in the Establishing Ordinance or in the County Water and Sewer Ordinances.

SECTION THIRTEEN. Assignment. The County shall have the right, without the consent of the Owner, to assign its rights under the terms of this Agreement. Upon the transfer or lease of the Subject Property, or any portion thereof, the Owner may assign their rights to connect to the Northeast Sewerage System, subject to the terms and conditions of this Agreement.

SECTION FOURTEEN. Additional Documents. In addition to the documents specifically enumerated herein, the County, and the Owner agree to execute and deliver any and all documents that may be reasonably necessary to effectuate the intent and purpose of this Agreement.

SECTION FIFTEEN: Severability. If any provision, covenant, agreement, or portion of this Agreement or its application to any person, entity, or property is held invalid, such invalidity shall not affect the application or validity of other provisions, covenants, agreements, or portions of this Agreement, which can be given effect without the invalid provision(s) or application(s), and to this end, the provisions, covenants, and agreements in this Agreement are declared to be severable.

SECTION SIXTEEN: Effective Date. This Agreement shall be in full force and effect from and after the date of its execution.
