Multi-Jurisdictional Drug Prosecution Program

This is a renewal of the Multi-Jurisdictional Drug Prosecution Program, a federal grant administered through the Illinois Criminal Justice Information Authority. Funding for this grant began in 1988 and has been renewed each year.

- This program is funding for four Assistant State's Attorneys, two secretaries, one paralegal, and one investigator dedicated to the prosecution of drug-related offenses.

Program goals:

- To deter drug-related crime through criminal investigations and prosecution. From October 1, 2006 through September 30, 2007, the State's Attorneys Office initiated 629 felony drug prosecutions.
- To focus the prosecution of drug-related crimes on recent legislative changes that have increased emphasis on and penalties of various drug-related offenses.
- To increase the Lake County State's Attorneys Office cooperative effort with local, state, and federal law enforcement agencies in conducting pre-arrest investigations and subsequent prosecutions to identify, track, and prosecute drug-related trafficking, conspiracies, and other offenses.
- To further engage these appointed Assistant State's Attorneys and support staff to act as prosecutorial liaisons for police trainings, legal updates, and case-related issues involving community drug-related prosecutions.
