RESOLUTION

WHEREAS, the primary function of county highways is to carry large volumes of through traffic, and the secondary and subservient function is to provide access to abutting property; and

WHEREAS, the absence of reasonable controls and regulations for access results in the reduction of roadway capacity and safety and unregulated access substantially increases delay and congestion to the motoring public using the County Highway System; and

WHEREAS, conflicts between vehicles using a county highway and vehicles entering and exiting via access facilities are minimized through the application of appropriate design standards; and

WHEREAS, in accordance with statutory authority, the county board on November 13, 1990, adopted the Lake County Highway Access Regulation Ordinance in order to regulate access to county highways; and

WHEREAS, this County Board of Lake County, Illinois, may revise said Lake County Highway Access Regulation Ordinance from time to time, and the schedule of fees associated therewith; and

WHEREAS, the said Fee Schedule was last amended by this County Board on December 11, 2001.

NOW, THEREFORE BE IT RESOLVED, that the County Board of Lake County, Illinois, hereby adopts the enumerated revision to the Lake County Highway Access Regulation Ordinance, Fee Schedule, attached hereto.

BE IT FURTHER RESOLVED, that the Schedule of Fees of said ordinance and attached herewith are adopted and are effective December 1, 2007.

BE IT FURTHER RESOLVED, that the County Engineer is hereby authorized and directed to cause to be printed a corrected version of said Lake County Highway Access Regulation Ordinance inclusive of said Fee Schedule with a suitable cover.

PASSED this _____ day of _____ 2007.
